

Designing with Circles 2

A Self-paced Sketchbook Course

Designing with Circles 2 is a downloadable self-paced sketchbook course presented in a PDF; a 189 page document which includes 16 Media Presentations. A supply list, study guide and glossary are also included.

The course contains two main areas: the *Design Foundation* and *Design Studies*. The Design Foundation has been developed to give a broad introduction to the variety of materials that can be used and covers basic information and practices. *A Design Foundation is included in every Sketchbook Course.* The Design Studies introduce specific concepts, techniques and exercises that comprise *Designing with Circles 2*.

The Particulars

Cost: \$49.95

Designing with Circles 2
is available for purchase at our
website:
www.gailcreativestudies.com

Delivery:

Within 24 hours of purchase, you
will receive an e-mail to access
and download the course.

*Please Note: for students
purchasing this course after 4:30
p.m. on a Friday, you will receive
your e-mail on the morning of the
following business day (in most
cases the following Monday).*

System Requirements:

- 528 MB of available space
- Broadband Internet connection
- Adobe Acrobat Reader
- Adobe Flash Player

**not ipad compatible.*

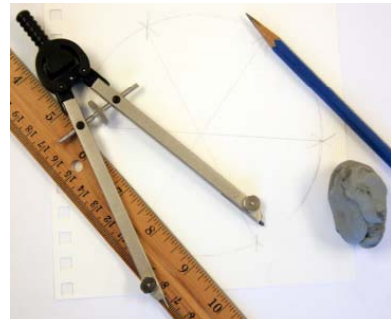

This course will assist you in acquiring important design skills. Work with the Circle theme, be inspired by it and move that inspiration into a design. Play imaginatively, begin a sketchbook and keep it going.

A variety of media will be used:

Fiber tip pens and markers, pencils, colored pencils, water color pencils, and acrylics, all in a 6 in. x 6 in. sketchbook

Topics and Studies include:

- Taking the fear out of sketchbook work
- The Elements of Design in Circles
- A survey of available Media
- Painting Pages
- Doodling
- Using Fiber Tip Markers
- Creating Frames within your sketchbook
- Radiating off a Partial Circle
- Media Studies in Black White and Grey
- Concentric and Irregular Circles
- Spirals within Circles

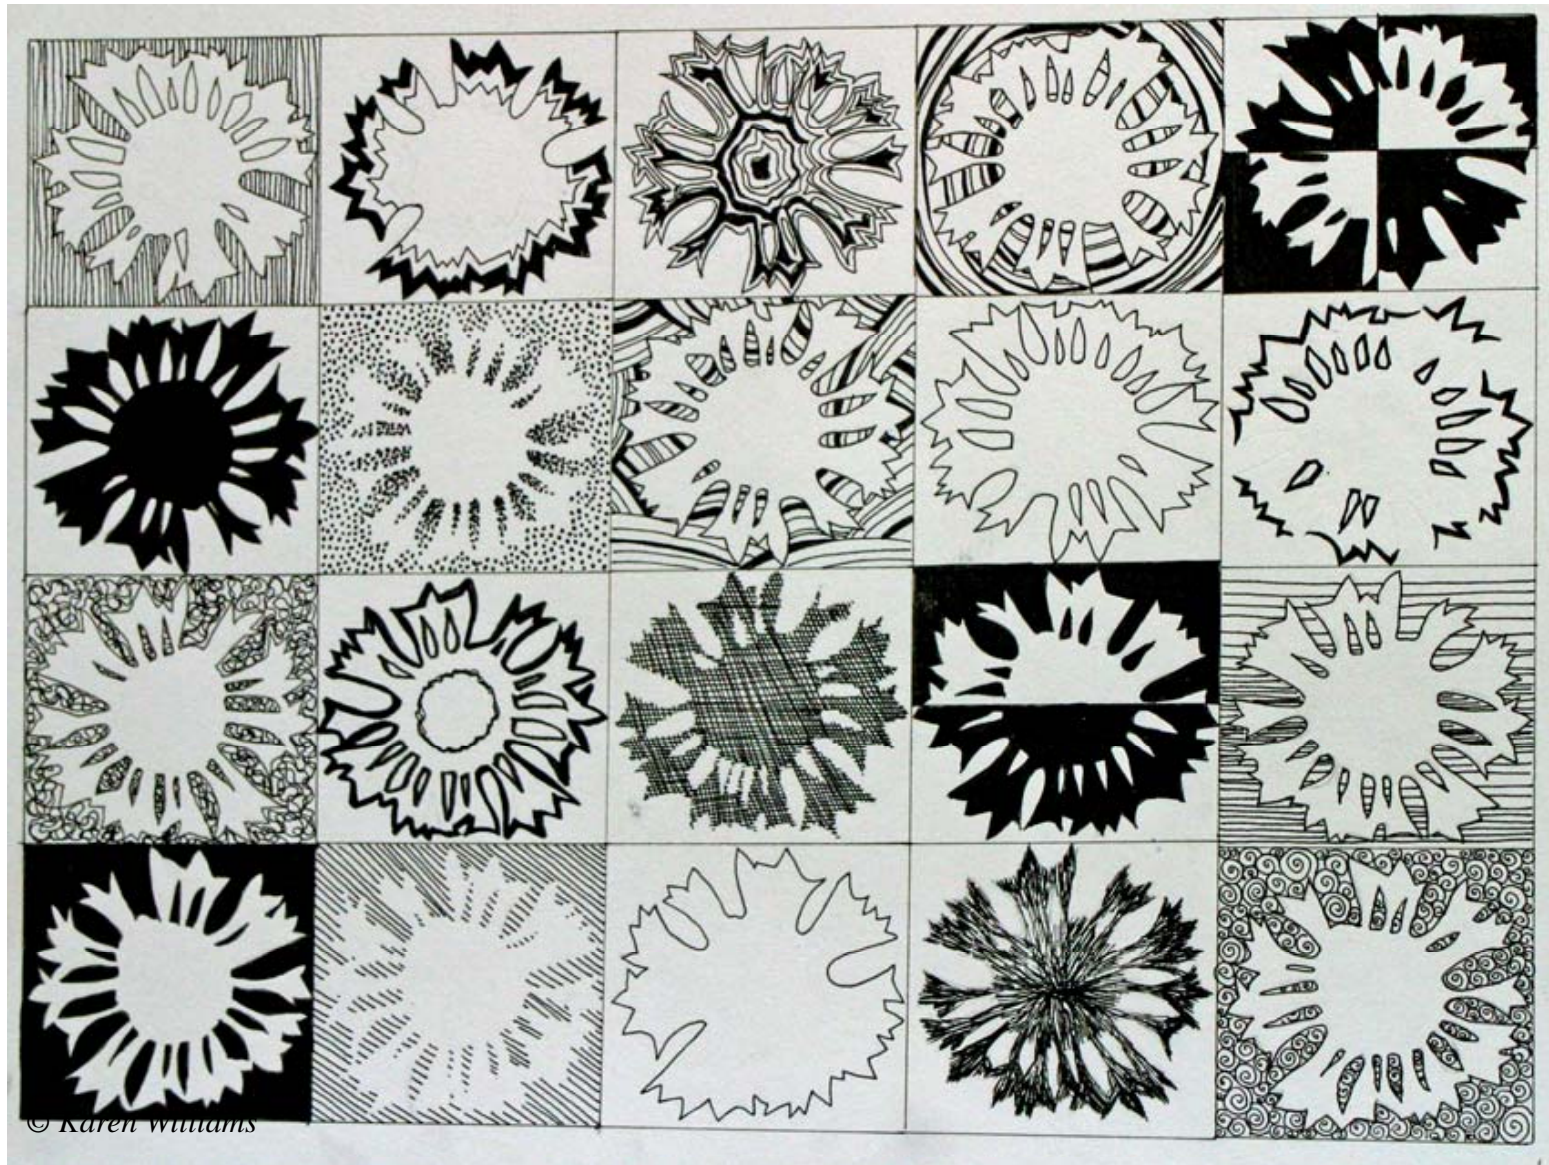

Whether found in nature . . .

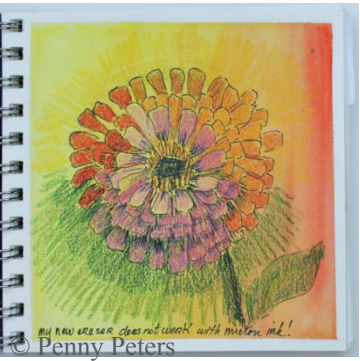

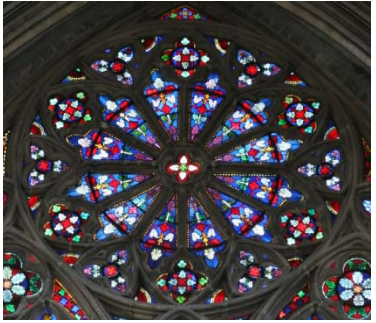

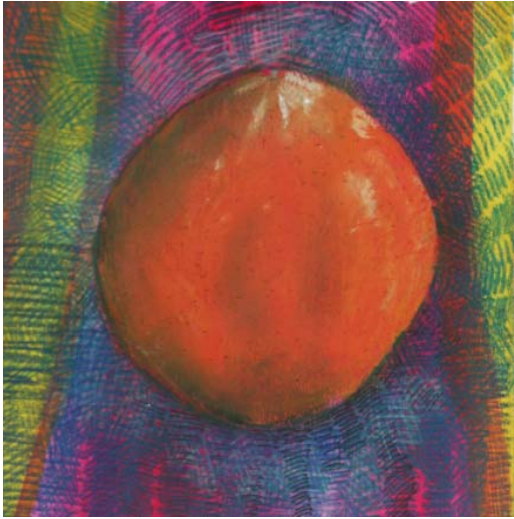

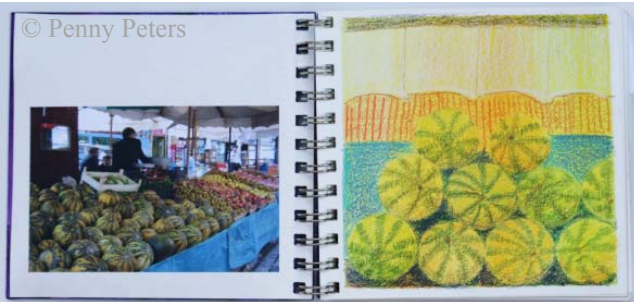

or Man-made

. . . circles hold endless design possibilities.
