This course is for anyone who thinks they might like to try hand stitching with a fun and interesting flair. Circular stitches can be beautiful in their own right, and can be used to bring interest and pattern to any textile. No experience is necessary. All you need is enthusiasm, a desire to work with your hands, to learn new stitches and explore design ideas for the stitches.

Learn about:

- ◆ Stitches and Techniques that create circular designs
- ◆ Knotted Stitches
- ◆ Eyelets
- ◆ Buttonhole Rings
- ◆ Couching
- ◆ And more

Students in this 1-day course will receive a complementary copy of *Designing with Circles 1*, our Self-paced downloadable sketchbook course, to further their explorations once they are back at home; an added value of \$69.95.
